

NO PARKING!

Start immediate removal of bicycles and mini-bikes left on the road.

The City of Osaka is working with the local community to further improve the quality of road space in Midosuji and other surrounding areas by implementing measures to prevent the abandonment of bicycles.

From November 2023, the city will introduce on a trial basis the "**Immediate Removal**" program, in which the city will begin removing abandoned bicycles as soon as they are identified.

A removal and storage fee must be paid before pickup.
Bicycle: 2,500 yen, mini-bike: 4,000 yen

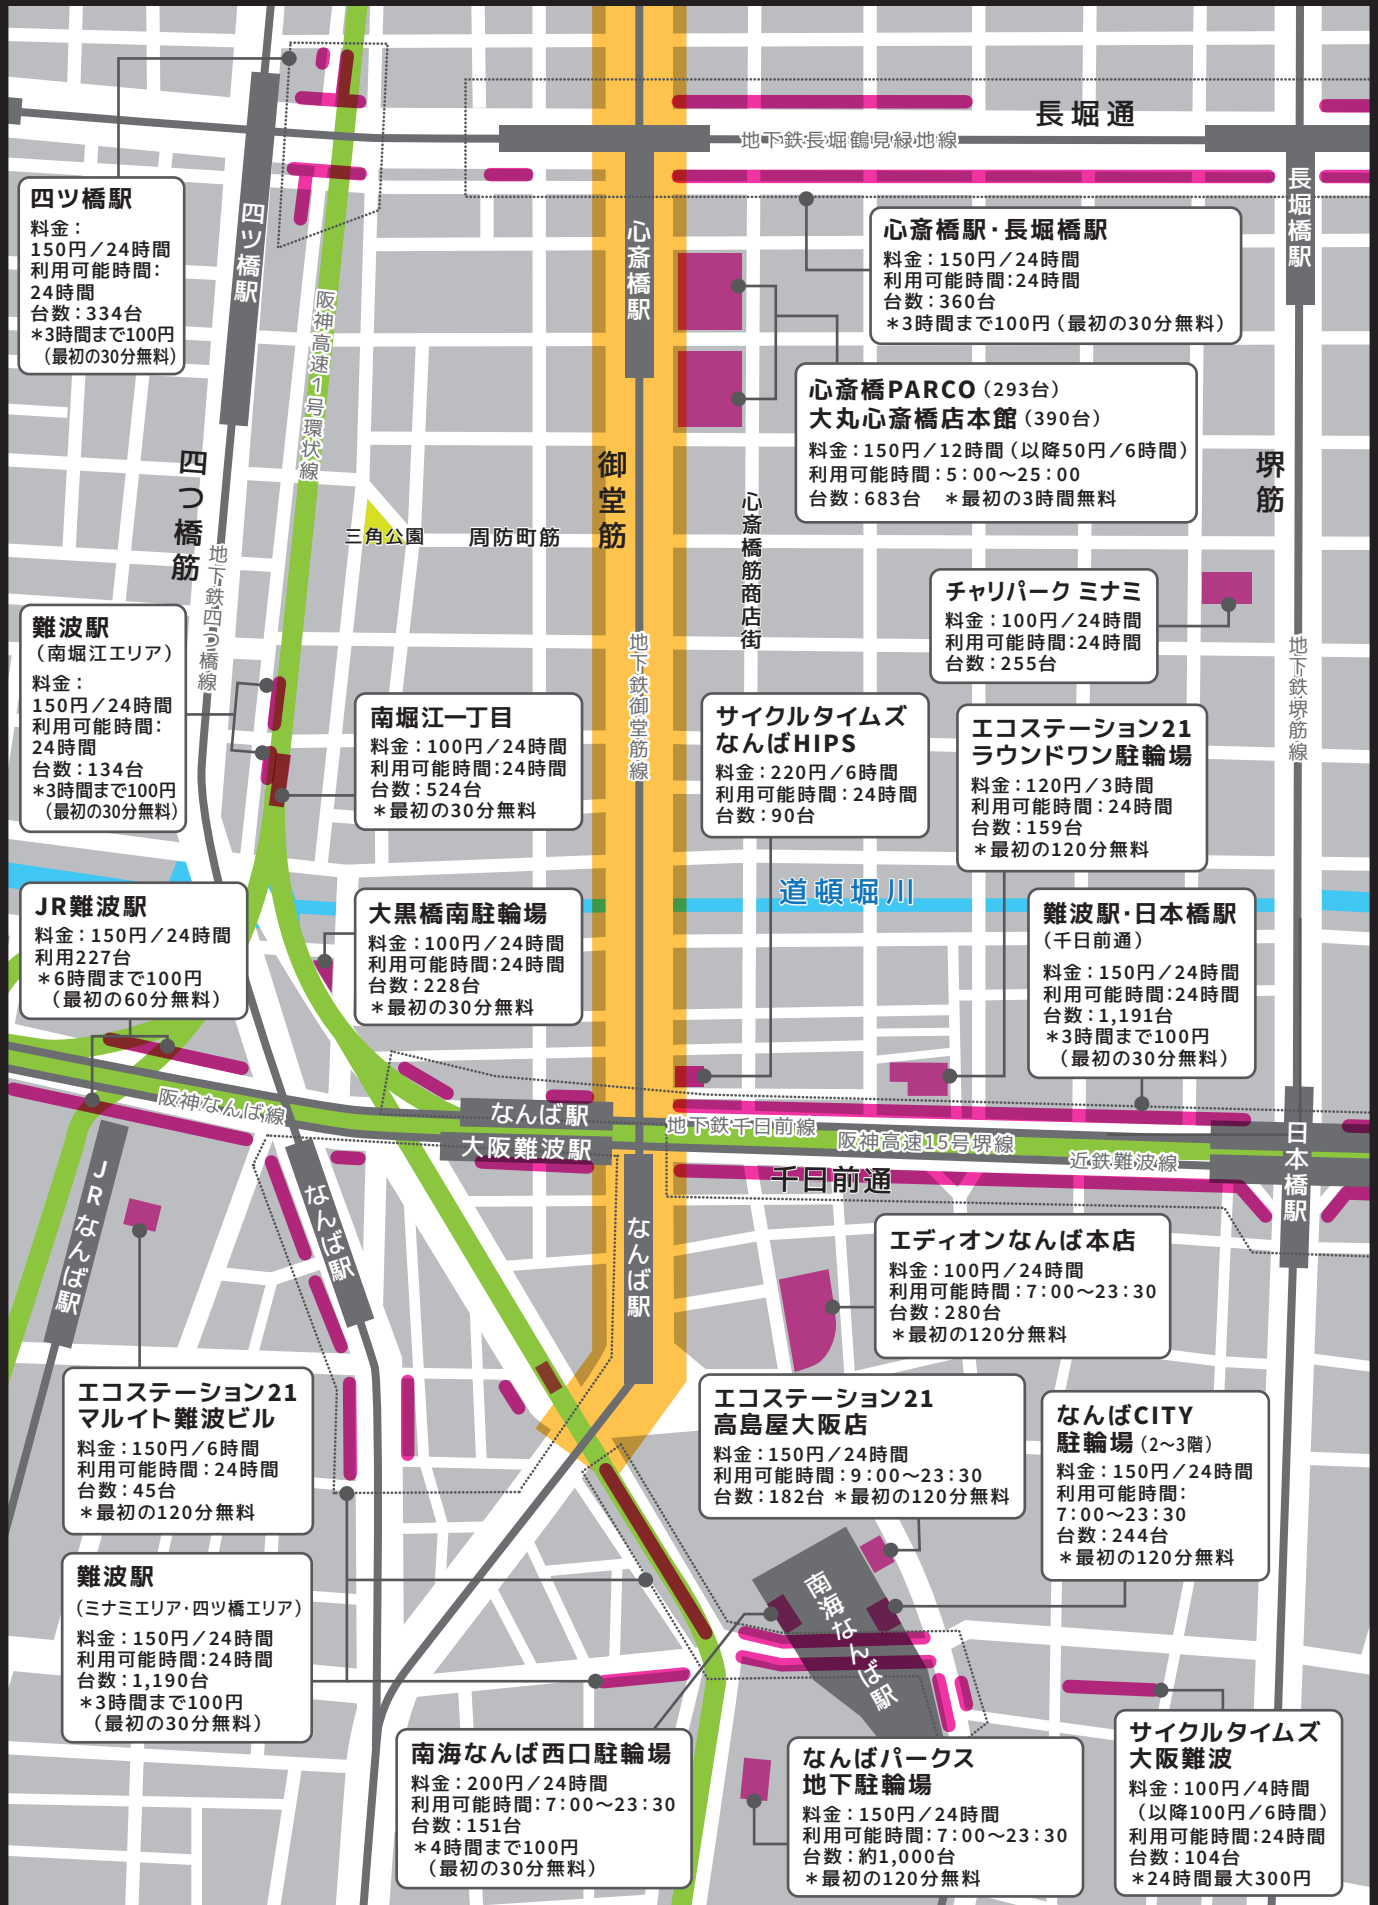

Bicycles and mini-bikes that are not picked up after 20 days from the date of removal will be disposed of by Osaka City in accordance with the relevant laws and regulations.

The City of Osaka will promote "Immediate Removal" of abandoned bicycles and other items in cooperation with local communities.

In cases where abandoned bicycles, etc. are secured to fences, etc., **chain locks**, etc. will be unavoidably **cut off**.
